The Health Tourism Show's internet media partner:

WELCOME To The Health Tourism Show!

We are very pleased to welcome you all to the first ever Health Tourism Show. We greatly appreciate all your comments in the Questionnaire (see the center pages of this Show Guide) - you can leave them at the end of your visit at the Health Tourism Show Registration desk. Please let us know if there is anything that we can do to help during your visit and we hope that you enjoy the show! We look forward to welcoming you to the 2nd Health Tourism Show, in October 2009.

Amar Clinic
Ed. King Edward, off.106
Calle Ramón Gómez de la
Serna, 22
Marbella
Spain

Located in Marbella, AMAR Clinic is an exclusive and elegant center dedicated to Cosmetic Surgery. AMAR Clinic is directed by the prestigious plastic surgeon Dr Roger Amar. In addition to all the traditional treatments (breast surgery, liposuction, face lifting, blepharoplasty, rhinoplasty) AMAR Clinic offers a world-wide exclusive procedure invented by Dr Amar, called FAMI (Facial Autograft Muscle Injection). FAMI offers natural rejuvenation without scars, avoiding in many cases face lifting and blepharoplasty. FAMI gives you back a natural look after your face lift.

The Health Tourism Show Questionnaire

Fill in and Win
£100 worth of Spa Treatment
vouchers!

Please take the time to fill out our questionnaire. We would really like to know what you thought about The Health Tourism Show so that we can make it even better next time!

Please fill in the questionnaire, detach the centre pages of the show guide, seal the edges, affix a stamp and send it back to us **by 21 November 2008** or you can return it to us at the show at the **Registration Desk**.

There are no correct answers: we just want to know your opinions, and to hear any bright ideas you may have for new features and improvements in the future. We will carefully study every response.

All completed questionnaires will be included in a free prize draw to win £100 worth of spa treatment vouchers. Go on - it's time to spoil yourself!

We hope to see you again at the next Health Tourism Show in October 2009. Who knows - you might have had your treatment and want to recommend it to a friend?!

Dr Robert McCaffrey
Show Director

Pull out the central four pages of the Show Guide, fill in, glue/sellotape the edges, affix a stamp, and pop it in the post. We'll do the rest! Good luck in the draw!

The Health Tourism Show Questionnaire

About You

Name _____

Address _____

Town _____ Postcode _____

Year of birth _____

Telephone number (inc area code) _____

Email _____

What was/is your main profession? _____

About The Health Tourism Show

UK

Treatment Abroad provides information for patients about clinics, hospitals, and specialists across the world that are attracting medical tourists. We offer a free guide to Medical Tourism which will help you decide on the best destination and healthcare provider for your needs, as well as practical advice about going abroad for treatment. We also enable patients to publish their comments about their medical tourism experience on our website.

Yeditepe University
Hospital and Tulip
Holidays
9 Grand Parade
Green Lane
London
N4 1JX
UK

The vision of Yeditepe University Hospital, which opened in 2005, has been to offer the best health care and treatments, using the latest most advanced technology to increase life standards and expectancy. The first JCI accredited university hospital in Turkey with its 170 bed capacity, 8 operating theatres and an Imaging Centre. Tulip Holidays, an established Tour Operator specializing in travel to Turkey has recently included medical travel in its portfolio and started a joint venture with Yeditepe Hospital in the UK by offering tailor-made travel service, incorporating medical services and treatments.
